SHOW INFO
The explosive power of people’s secrets and lies will once again take center stage in season two of ABC’s hit drama, “Secrets and Lies.” No matter who you are, everyone has secrets and everybody tells lies. What will people do to keep their most intimate, devastating indiscretions from ruining their lives? The unflappable and formidable Detective Andrea Cornell (Juliette Lewis) is back. She is the smartest person in the room — always. But that isn’t to say that she isn’t hiding something behind that slight hint of sadness in her eyes and a deceptive look of disconcerting calm. Once she has a suspect in her crosshairs, she doesn’t let go.
